

Newsletter

October 2024

Elvis was in the building.

Welcome to the latest newsletter from KPCH.

We have been very busy over the last few months with visits from the children and staff at Festival Park Nursery, a trip to Calderglen Country Park, a visit from Elvis, regular Church of Scotland services as well as Holy Communion and mass for those of faith and a very special visit from some four legged friends.

Check out the following pages to see what we have been up to!

Regular visits from Festival Park Nursery

We are now into our second school year of visits from the staff and children at Festival park nursery and we are still having lots of fun.

The picture above was taken after a visit from the children and staff from the NSPCC for Childhood Day which was a great success.

Elvis comes to KPCH

We had a visit in September from Scott Heywood, Elvis impersonator and what a show he put on. He had the voice, the hair and the hips and the ladies and gents had a great time singing and dancing along.

Calderglen Country Park

We took a bus trip to East Kilbride to see the animals at Calderglen Country Park as well as having a lovely cuppa and a bit of cake in the cafe.

KPCH Bake Off

The nursery children came along to the home to help us judge our staff's cake making skills - three staff, three cakes but only one winner and it was Gordon the chef!

Therapy Ponies.

We were very lucky to have a visit from Therapy Ponies Scotland with John and Elaine bringing miniature Shetland Ponies along - Wilson and Flicker - and the nursery children came along too and we all had a fabulous time.

The ponies were small enough to fit in the lift so we had a tour of the home to see some of the residents who were in their rooms on the day. The ponies also had trainers and a nappy (called a Whoopsie Daisy bag) so there was no mess!

Check out the following photos so see how the visit went.

Home refurbishments

We are currently having some refurbishments here at KPCH including a new driveway, new furniture for the ladies and gents bedrooms and the dining area and the painter has been giving the bedrooms a freshen up. Check out the photos below.

Last of the warm weather.

With us now in October, we managed to make the most of the last of the summer sun we and warm weather we had back in September in the garden with drinks and ice lollies

That's all for this edition of the KPCH newsletter, with the nights drawing in and the weather changing it can mean only one thing - Christmas is coming and with that our calendar is already filling up with a Halloween Party, Bonfire night fireworks display, a visit from the Glasgow Museum Service and then into December we have all of our Christmas plans.
